The result of this environmentally friendly pump spray is visible: hygienic and antistatic surfaces.

More information
High performance with a wide range of solutions and options.

Product description

The Bizerba Cleaner is ideal if you want to clean the plastic surfaces in your production and sales areas in an eco-friendly manner. Its natural orange-based solvent convinces in its practical application and results. You get to save on time and care products thanks to the effective cleaning effect. The gentle recipe of this cleaner makes it compatible with almost all plastic surfaces and avoids scratches. Regularly used you protect your investment as you clean and increase the accessibility and sustainability of your devices. Yet another highlight: A consistently clean appearance raises your image and increases the trust and loyalty of your customers. The Bizerba product is certified with the NSF Hygiene Standard C1 Nonfood Compounds.

Available container size 250 ml
