

## General labeling contract

---

*The General labeling contract allows cutting-edge production systems at calculable costs without on-balance sheet investments. The settlement key is the number of labels used.*

**More information**  
High performance  
with a wide range of  
solutions and options.

---

### Our services at a glance

- Variable contract design with volume adjustment per month (+/- 20 %)
  - The right package from small to big sales volumes
  - Broad portfolio of labels
  - Various labeling systems: a printer on a retail scale, a label printer or even an automatic high-performance labeler
  - One preventative maintenance date per year
  - Service within the framework of the agreed response time
  - Remote access for fast help
- 

### Your benefit

With the General labeling contract Bizerba offers a perfect combination of labels, labeling system, service and financing – and there is no initial investment needed.

We provide you with our labeling unit and you buy a monthly label quantity which is agreed by contract. This includes one preventive maintenance date per year as well as the Bizerba Service in the framework of an agreed response time.

Your advantages: You receive all services from a single source, in original Bizerba quality. From the start of the contract you only pay for services actually needed. You only pay what you consume.

---

### Special features

You can benefit from our tailor-made offering: our General labeling contract combines three efficient components including attractive financing.
